ODE TO TEACHERS

Pansies are purple,
Lilies are white,
Thanks for making us so witty and
bright.

You are the greatest,
You are the best,
Even though you've given us "O's" on
our tests.

We're going to miss you,
We're very happy to say,
But you've taught us a lot we'll have
to admit someday.

From the Class of '79: "THANKS
TEACH"

Terrific Trio

Pipil"

Power!

Our first year in the Dot Jones League,
we earned our place.

Needing one game to make the playoffs,
made losing to Mt. Anthony in our last
game, a bitter-sweet ending.

Denise, Jeanne and Charlene did a ter-
rific job for us. We will miss them. We
thank them for their dedication, enthusi-
asm and skill.

(SWARTZ & HAGER forever!)

"There's still hope."

The '78 Varsity Baseball team was unusually small in number but BIG in desire to win. The team had a high percentage of seniors, some inexperienced. However this was overcome by desire, and at midseason the team was highly competitive with any class 'M' in the state. Although the state playoffs are essentially designed to accomodate 16 teams, only 9 were chosen in our class. Whitingham was ignored despite an acceptable record, and a team with a high class attitude. This decision by the V.T. Headmaster Committee was difficult for me to explain to the athletes. Maybe we can take this decision out of their hands next year. Coach Maynard.

How First Vermont Bank can help you become more likely to succeed.

At First Vermont Bank, we have two special programs we think high school graduates will find very helpful as they make their way into the world.

The first is a special checking offer for graduates: free checking for a year on our regular checking account.

It's our graduation gift to you.

The second is our Student Loan Program.

Through it, some 1,900 students who might otherwise have found it just too expensive are attending the college of their choice... thanks, at least in part, to us.

If you'd like to find out more about these programs, stop by any of our banks. We're conveniently located, you know.

In fact, you might say, success is just around the corner.
